

What is HRVCharts.com ?

- HRVCharts.com is your secure, personal login site where you can access your HaloBeat session data.

- The online tools allow you to track your HaloBeat sessions and data.

- Compare multiple HaloBeat sessions to determine what Magnetic Resonance Therapy protocols are most effective in improving your HRV.

- The Magneceutical Health web applications (www.magneceuticalclinic.com and www.mylocationofrelaxation.com) give you a wide variety of treatment protocols, tools and education to improve your HaloBeat HRV sessions over time.
